SUBJECT: CAMBODIA--THE MILITARY SITUATION

25X1

Kampot City remained the scene of heavy fighting as Khmer Communist units continued their attacks on three sides of the city's defensive perimeter. Government defenders pulled back from the west but elsewhere they appear to be holding their ground.

Combat has slackened around Oudong, and counterattacking government troops have made no progress in their drive against the town from the east. The Communists are moving additional ammunition into the Oudong front.
